

How we made a difference to our guests' lives in 2021

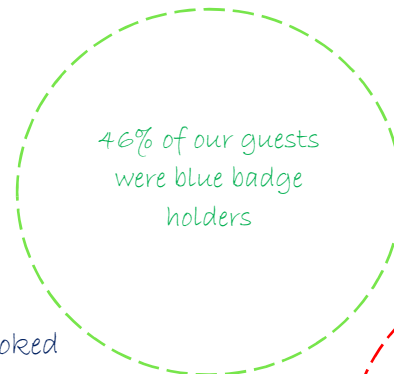

We help families in need enjoy affordable, accessible holiday accommodation. This means they have quality time away from home, create special family moments and make happy memories.

We provided 228 holiday weeks booked in our 10 caravans. Time for families & individuals to step away from the everyday stresses of life

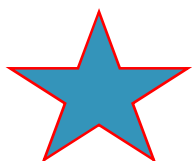

29% of holidays were booked by a party with at least one wheelchair user or guest with mobility issues

46% of our guests were blue badge holders

13% of families had a child receiving free school meals

We worked with the Victoria Convalescent Trust & Hertfordshire Convalescent Trust to provide grant funded holidays to families in need

50% of our guests have a health issue that affects their quality of living

36% of our guests had stayed with us previously
